

Emmanuel Egomson - Web/Software Developer

Email: fegomson@gmail.com Mobile: (405) 212 6644 Address: 15400 Crown at Lone Oak Road, Edmond, OK, 73013

Profile

Experienced front-end software developer based in Edmond/Oklahoma City area. A solution-driven professional excelling in highly collaborative work environment. I have helped businesses and charities with my skillset and ability to learn programming languages and frameworks on the fly. Started out as a graphic designer and my passion for user interface design fueled my curiosity to learn how software work and communicate hence honing my software development skills. Proficient in technologies like HTML5, CSS3 (CSS variables, Sass, Styled Components), JavaScript, JSX, ReactJS, React Native, NodeJS, Express, MongoDB, Firebase, SQL, REST API, CMSs and a lot more.

Key Technical Skills

- 5 years experience with HTML5, CSS3, media queries, CSS frameworks with demonstrable experience with Bootstrap, JavaScript both with and without frameworks like jQuery and Zepto, Ajax and a solid understanding of object-oriented programming, SPAs and the MVC pattern.
- 2 years experience with ReactJS, NodeJS and MongoDB
- 5 years experience with Adobe Creative Suite (Photoshop & Illustrator)
- eCommerce/payment gateway integrations with demonstrable experience of working with Stripe, PayPal (Standard and Pro) and WorldPay
- API integration work with demonstrable experience of working with the APIs of MailChimp, Campaign Monitor, Contentful, SportsRadar, RecipeAPI, Mandrill and YouTube.
- Experience provisioning and maintaining Linux servers with solid command line knowledge and experience with Git, npm and other package managers and utilities
- Ability to administer Apache, MySQL, PHP, OpenSSH and other services
- SSL certificate installation and management
